"Every child is an artist. The problem is how to remain an artist once he grows up."

Pablo Picasso

"The arts are fundamental resources through which the world is viewed, meaning is created, and the mind developed."

Elliot W. Eisner, Professor of Education and Art, Stanford University

Professional Profile

Has a life long love of art and inspires others to discover and pursue their own passions. Eager to enrich students' learning by encouraging creative thinking and offering alternative perspectives for observing and interacting with the world around them.

Dedicated to:

- Encouraging creative and constructive forms of self-expression.
- Promoting multicultural and interdisciplinary learning.
- Exposing students to important concepts, techniques, and mediums to develop their understanding of, and skills in, the visual arts.
- Incorporating art principles and elements into the classroom.
- Utilizing visual aids and appropriate resources to motivate student learning.
